### ABOUT US

ICE Pharma Group (IPG) is a generic pharmaceutical company with it's own Marketing Authorizations (MAs) We manage the manufacturing process of pharmaceutical products through to final product release into European Markets.

We have manufacturing and Importation Authorisation (MIA) and Wholesale Distribution Authorisation (WDA) for import and sales of products in Europe.

IPG is MHRA approved, holds GMP and GDP certification, and has approvals to import both APIs and Finished Drugs from outside of Europe.

### OUR VISION

We aim to be a renowned leader in product sourcing, and in managing highly complex global Supply Chain projects for all EU based regulated healthcare operations.

"In the past 20 years we have had to grow and adapt in the ever changing world of Pharmaceuticals. We have always strived to be a company that places the evolving needs of our clients as our top priority.

This is why we exist, and it is why we are still here.
