

## GIFTS WE LOVE TO GIVE

Spreading the love this February, we bring to you another new UK MA for sale...

### Ciprofloxacin Tablets 250mg, 500mg & 750mg

If you are seeking specific UK Marketing Authorisations not listed, we offer a sourcing service at a competitive price.

We work with an extensive global network who have MAs they are willing to sell or arrange for a Duplicate. Fill in the enquiry form below with your MA requirements to receive a proposal.

[View our full list of MA's here](#)

### Three CTD Dossiers available for L&S

If you operate in the UK, we would consider a duplicate license or own label supply arrangement.

To register your interest in these new product dossiers please email [ip@icepharmagroup.com](mailto:ip@icepharmagroup.com)

- **Bendamustine Hydrochloride 2.5mg/ml powder** for concentrate for solution for infusion or injection.

- **Carmustine 100mg powder** for solution for infusion or injection.
- **Melphalan 50 mg powder** for solution for injection/infusion.

---

### **ANDA's for sale**

If you are seeking specific ANDA not listed, we offer a sourcing service at a competitive price.

We work with an extensive global network who have MAs/ANDA's they are willing to sell or arrange for a Duplicate.

[View the ANDA's here](#)

---

## **Premix Pellets**

These Premix Pellets are ready formulated pellets that can either be placed direct in to capsules or compressed to make tablets for DC grades. The facilities are US FDA and EU GMP approved and have DMFs
